Dear Williamsburg Senior Softball League:

We would like to express our sincere gratitude for your kind support. There have been some exciting changes over the past year, all of which have been made possible by your donations.

This month we are highlighting our Mercy Housing program. Mercy Housing accompanies individuals and families on the journey from homelessness to lasting stability and self-sufficiency.

- Since July 2020, we have helped 74 households to attain permanent housing, which includes 96 adults and 49 children.
- This year we will add two additional case managers to specialize as Job Navigator and Family Case Manager.
- Our “Going the Distance” campaign will focus on expanding our Mercy Housing office space. To learn more, visit our website at www.williamsburghouseofmercy.org.

The poor were hit first and hardest during the pandemic. They will take the longest to recover and return to stability. We are committed to providing families with the support they need, for as long as we are able. Thank you for being partners in this mission with us.

To receive our monthly newsletter or to receive future acknowledgements via email, please email us at info@williamsburghouseofmercy.org. Please keep this letter for your tax records.

Sincerely,

Shannon Woloszynowski
