## Revised and Approved December 2023

### Article I – The Organization

#### Section 1 – Name of League

The name shall be known as the Williamsburg Senior Softball League, herein referred to as the WSSL. The WSSL is a member of USA Softball, herein referred to as USA and subscribes to its rules and regulations which are not in conflict with rules adopted by WSSL.

#### Section 2 – League Purpose

The League, an IRS approved non-profit organization under IRS Code Section 501(c)(7), was formed with the overall purpose of assisting in the development and promotion of slow pitch senior softball for players in Williamsburg, Virginia and the surrounding areas. ***No player is excluded from joining the League based upon gender, sexual orientation, or race.*** In the interest of player safety, the Board of Directors may impose Minimum Performance Standards that all players must meet. Those unable to meet the standards will not be eligible for regular league play. All male players must be 50 years of age or older and female players must be 40 years of age or older by December 31st of the year to play. Any deviation to this requirement may be allowed on an individual basis by the Board of Directors.

#### Section 3 – League Fees and Application

Each player must pay seasonal fees to the League. The amount will be determined by the Board of Directors as part of the annual budget approved by WSSL membership at the annual meeting. In addition to the payment of seasonal fees, each member shall also submit annually a signed application before each season of League play begins.

#### Section 4 – Administration Format

The League will be administered by an unpaid Board of Directors (“BoD”), which will consist of seven or more elected officers: Commissioner, Treasurer, Secretary, Webmaster, Communications Director, and two or more Division Presidents. All members of the Directors must maintain active membership in the WSSL, and all are voting members of the Board.

#### Section 5 – Board of Director Responsibilities

The WSSL Board of Directors consists of the Commissioner, Treasurer, Secretary, Webmaster, Communications Director, Yorktown and Jamestown division presidents. The Board of Directors (BoD) are responsible for the administration of all business matters relating to the activities of the League as well as the enforcement of the rules and regulations as defined in these Bylaws and in the League’s Rules Manual. The BoD will maintain and update the Manual as necessary. Minutes of each Board of Directors' meeting will be posted by a link on the homepage, or readily available section of the league website within 30 days of each meeting. The BoD will adhere to the

Members are encouraged to nominate candidates within the nomination period. Nominations received after the nomination period will be allowed but will not be on the electronic ballot. Nominations are to be submitted to the League secretary. Voting electronically will begin at least 10 days prior to the annual meeting. Once a change of position or a break in service has occurred, defined as a full two-year term, then the board member may again be elected for a new term.

#### **Section 3 – Continuity**

To ensure the continuity of the League and stability of the Board, the terms of the Board members will be staggered. The election for the offices of the Commissioner, Treasurer, and Communications Director will be held in even numbered years (e.g., 2022). # **WILLIAMSBURG SENIOR SOFTBALL LEAGUE BYLAWS**

## **Revised and Approved December 2023**

In the event of a Commissioner vacancy, one of the other Board members shall be chosen by the Board to serve as Interim Commissioner.

### **Article IV – Meetings**

#### **Section 1 – Meetings**

An annual WSSL general membership meeting will be held at the completion of the WSSL season and prior to the commencement of the following WSSL season. All the League members are invited to this meeting. The main purposes of this meeting are to elect directors to the board, to communicate information about the upcoming season and the financial status of the League, and to allow the membership to vote on issues important to them and petitioned to the BoD. These issues will be those which require a membership vote and others identified by the BoD. The date for this meeting will be established by the Commissioner. Members will be able to submit their votes electronically. The league Secretary will conduct remote voting. There will be one ballot for each member. The ballot will include all items to be voted on at the general membership meeting. A member who is nominated to a position outside of the nomination period will not be on the remote ballot. Votes received electronically will be added to the tally of votes received at the annual meeting.

Regular BoD meetings will be held when deemed necessary by the Commissioner.

Special Meetings will be held when deemed necessary by the Commissioner.

#### **Section 2 – Quorum and Board Approval**

A quorum of the BoD is necessary to officially conduct League business. A quorum is defined as a majority of the total number of BoD members. No decision will be made without a quorum. Board approval is hereby defined as a majority of the quorum.

### **Article V – Fiscal Policy**

Justifiable expenditures, such as those for supplies, equipment, fees, etc., are a necessary part of operating the League. The Board is entrusted by the membership with the authority to incur such expenses when necessary and to be good stewards of the League's financial resources. To help ensure fiscal responsibility, expenses of more than \$100 require approval from the Board of Directors. The Board can authorize any Board member or designee to incur valid league expenses and later receive reimbursement from the Treasurer. In the interest of expediency for small dollar amounts, every board member is authorized to spend up to \$100, and receive reimbursement from the League, without prior approval from the Board of Directors.

## **Revised and Approved December 2023**

### **Article VI – Organization Bylaw Revisions and Amendments**

The organization bylaws may be revised or amended by a majority vote of members present at the annual meeting, and by votes submitted electronically, provided that the proposed revisions or amendments have been submitted in writing at least 14 days prior to the annual meeting and have been posted in advance on the WSSL website. If the Board deems there is a need to revise the bylaws at other times in the annual cycle, a similar process is followed. The Secretary will post the amended Bylaws for Membership review on the WSSL website. The Membership will be notified of the changes and where to review them. The new version will be posted for a minimum of 14 days. The Secretary will then conduct an electronic vote. Membership will be notified of commencement and end of the voting period. The voting period will be a minimum of 7 days. A majority of the submitted votes received by the Secretary will determine whether the revision is adopted.

Sections within the bylaws may be waived at times with the approval of the BoD when the outcome is warranted to be in the best interests of the League and speed is of the essence. If this action is taken, the BoD must hold a special meeting of the general membership within 14 days of this action to review and explain the need for said action. However, the action will stand unless an alternate solution is provided prior to, or during, this meeting. Any alternate solution must also be approved by the general membership.

### **Article VII – Williamsburg Senior Softball League Rules and Procedures Manual**

These bylaws authorize the administration and maintenance of the WSSL's Rules and Procedures Manual contained in a separate document titled, "Williamsburg Senior Softball League Rules and Procedures Manual" (Manual). The Board is authorized to maintain the Manual, amending specific provisions from time to time as appropriate. The Manual provides comprehensive rules and guidelines for administering the League's play. The current version of the Manual is available for review on the WSSL's website.
